

## **RIMOJEKI - Tech Rider 2022**

**All the sound including vocals** will go out from the band's sound card 2 PL ( ¼ inch) output cable lines to your Mixer.

**Stereo DI** will be perfect.

### **Band Members:**

**Rimo** - Vocal, Guitar.

**Jeki** - Synth, Theremin, Vocal, Laptop - (Video + Audio)

### **Music - Gear needed:**

- *2 Mic stands*
- *2 Mic - SM58A Beta (can be provided)*
- *2 XLR Cables for the Mics (To our mixer)*
- *Table / keyboard stand + board (around 1 meter long)*
- *Small Box/Chair for the small GT Amp*
- *AC plugs for both sides of the stage*

### **Video-Art!**

The band takes out video art from a laptop on stage.

Please let us know if you don't have a Projector.

### **Video - Art - Gear needed:**

- *Video projector*
- *HDMI cable from the stage to the projector (We have an adaptor for VGA cable).*
- *White background on stage. (We can provide a Stretchy white Fabric to hang)*

\*The projector should be hung in front of the stage at least 8-12 meters to provide the widest projection, projecting all over the stage including the performers.
